

AI-SEO & GEO Package

DO YOU SHOW UP
WHERE AI IS
GIVING ANSWERS?

Search is changing fast. Your audience is no longer just searching Google. They're asking AI-powered search tools for recommendations, answers, and trusted businesses. This package helps position your brand to appear in both traditional search results and emerging AI-generated responses through strategic content, local optimization, and ongoing SEO support.

PACKAGED PRICING:

\$1,000 INITIAL SET UP + \$750 PER MONTH

Includes AI-SEO strategy development, local optimization, monthly reporting, and ongoing SEO support. 6-month minimum term.

BE FOUND WHERE DECISIONS ARE MADE

Strengthen your visibility across search engines and AI-driven discovery platforms with a strategy designed to build authority, relevance, and trust. Instead of relying on outdated SEO tactics alone, your organization gains a modern optimization framework **built for how people actually search today.**

INITIAL SETUP & IMPLEMENTATION

- AI-SEO and GEO strategy development tailored to your organization
- Website SEO audit with optimization recommendations
- Local keyword research for website and content optimization
- Google Business Profile optimization and setup support
- On-page SEO improvements across key website pages
- Content strategy aligned with search and AI discovery trends

ONGOING REPORTING & OPTIMIZATION

- Four monthly blog posts supporting SEO and AI-SEO search visibility
- Four monthly Google Business Profile posts supporting local reach
- Ongoing on-page SEO updates and optimization
- Backlink support to strengthen website authority
- One monthly reporting and strategy review meeting
- Actionable recommendations on performance trends and opportunities
